

## Wonderful Wedgewood Women's Themes and Events

Our goal is to have an event at least every other month and for the alternating month to have a theme or mission the Wedgewood Women could help emphasize by encouraging the broader church community to collect and donate items needed by specific groups. Listed below is either the group or items we will work to collect for the month or the event planned for the month. For some months there is both an activity and mission theme (i.e. November and December). The entire Wedgewood community is encouraged to participate in the collections, missions and work nights.

September:

Sponsor collection of male and female personal hygiene products for The Salvation Army. Coordinator (Vicky Ayers)
